RE: South Carolina Energy Freedom Act (H.3659) Proceeding to Establish Duke Energy Carolinas, LLC's and Duke Energy Progress, LLC's Standard Offer, Avoided Cost Methodologies, Form Contract Power Purchase Agreements, Commitment to Sell Forms, and Any Other Terms or Conditions Necessary (Includes Small Power Producers as Defined in 16 United States Code 796, as Amended) – S.C. Code Ann. Section 58-41-20(A)
Docket No. 2019-185-E (Duke Energy Carolinas, LLC)
Docket No. 2019-186-E (Duke Energy Progress, LLC)

Dear Ms. Boyd:

Attached for filing in the above-referenced dockets please find Duke Energy Carolinas, LLC's ("DEC") and Duke Energy Progress, LLC's ("DEP" and, together with DEC, the "Companies") Partial Proposed Order on Rehearing and Reconsideration ("Partial Proposed Order"). The Companies' Partial Proposed Order addresses the issues that Duke presented for reconsideration, as well as most issues presented for reconsideration by other parties in these proceedings. However, the Companies' Partial Proposed Order does not address the following issues determined in the Commission's January 30, 2020 Directive ("Directive"):

- (1) Johnson Development Associates and the Solar Business Alliance's ("JDA/SCSBA") request to reconsider the Commission's rejection of the Intervenor's proposal to add two additional energy pricing periods to the DEC Standard Offer.
- (2) JDA/SCSBA's request to reconsider the Commission's approval of Duke's proposal to calculate Large QF avoided energy rates based on a project-specific production profile.
- (3) JDA/SCSBA's request for rehearing on the matter of purchase power agreements with a duration longer than ten years pursuant to S.C. Code Ann. § 58-41-20(F)(1).

The Companies' Partial Proposed Order appropriately addresses the remaining issues, as determined by the Commission in the Directive.

Sincerely,
